About Flying Focus-Aug 2013

Flying Focus Video Collective has been using video as a tool for social change, voicing the voiceless, since 1991.

Programs included in this catalog update were produced between February and July 2013 in part through the facilities of Portland Community Media (PCM). Views expressed do not necessarily reflect those of PCM, Flying Focus, nor any group or individual appearing on the programs. Check our website to see clips from some of our programs via YouTube, now up to nearly 13,000 cumulative views for 35 clips.

This update is the second update to accompany our 2012-2015 catalog, which is available at our website; insert it behind the front cover to create a full copy. If you don't yet have a copy of the full catalog and would like one, send us \$3, or download the pdf from our website.

DVDs are available for the same suggested donation as VHS tapes: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows. Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
