About Flying Focus

The Flying Focus Video Collective continues its mission to use video as a tool for social change, voicing the voiceless. We've been at it since 1991.

The shows in the catalog update were produced between January and June, 2014. We used Flying Focus' Mac Pro Tower (thanks again to our supporters!) and some equipment at Portland Community Media (PCM). Views expressed do not necessarily reflect those of PCM, Flying Focus, nor any group or individual appearing on the programs. You can see full episodes or clips from selected programs via our website and posted on YouTube. Cumulatively we've received over 15,500 views for 38 clips and 5 full-length shows. This is the fourth update to our 2012-2015 catalog-- please insert it behind the front cover of your catalog to create a full copy. If you don't yet have a copy, download it from our website or send us \$3 and we can send one in the mail.

Order DVDs for the same suggested donation as VHS tapes: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
