Hello Mr Turner,
I apologize for my delayed response it has been a very busy time! Thanks for reaching back out. I spoke with Mr. Handleman and am working on a compromise. I also intend to follow up with the city to inquire about how the COAB meetings are filmed and see if I can replicate some of their protocols where relevant.

I also am restructuring the meeting to go over conduct expectations, processes, and ground rules on the front end so that I am better able to hold people accountable once the meeting has begun. My plan is to do this after the IPR Director and Chair reports so that late comers do not miss it. I also intend to post these up during the meeting so that they are constant reminders and can be referred to if necessary.

This will all be a work in progress so I'm hopeful these changes get us closer to where we'd like to be in regards to creating a safe, just, and respectful environment for everyone.

Hope you had a good holiday,
Mae Wilson

Ms Wilson, I'm just checking in with you in regards to the conversation that you and I and Angelo had a few weeks ago. I know this is a busy time of the year for everyone but if there are any updates I would greatly appreciate hearing what they are.
