Prices listed are suggested donations. Flying Focus depends entirely on your support, so please be generous!

Our suggested donations have been the 2010 catalog, while production and other costs have gone up.

Many similar video groups ask much more for similar works.

We hope you will let us know what you think of our shows.

For postage, include \$4 for the first two tapes/DVDs, add \$1 per tape after that.

Please allow up to 6 weeks for delivery.

Titles in stock are limited.

We ask your pre-paid donation before we make a copy. Flying Focus is all-volunteer and your order needs to be prepared individually!

SPECIAL ARRANGEMENTS:

Schools, groups and individuals are welcome to negotiate alternative arrangements for donations.

TEACHERS: Contact us if you wish to present (or want us to present) our programs for your class. Some programs have accompanying Study Guides.

ACCESS PRODUCERS: We can make DVD, VHS, S-VHS, 3/4", or DVCAM copies for playback. Formats other than DVD/VHS will cost extra. After you show our tapes in your area, please consider "bicycling" (passing them on from place to place).

PUBLIC SHOWINGS: We encourage public screenings with or without discussion...but please contact us in advance for scheduling, publicity, etc.

SPONSOR A VIDEO! If you order a video and don't need to keep it, but think it should be at a lending library, you can be its sponsor! Your generosity will allow others access to hard-to-find materials.

STREAMING RIGHTS: If you want to upload entire programs to the internet for all to view, you can secure streaming rights for \$75 (individuals/non-profits) or \$125 (larger institutions).

AUDIO TAPES: We can make audio of any of our programs available for a donation of \$2 less than the video.
