I recall only one chat online. 11/18/15. You were copied at that time. It was between Mae and I.

Angelo,

We received a public records request from Mr. Handelman regarding communication between CRC members on several topics below:

- Discussion of videotaping of Citizen Review Committee meetings and hearings by Dan Handelman
- Discussion of the location of the camera used by Mr. Handelman, and/or discussion in general of where it is appropriate to allow members of the public/members of the media to sit/stand during meetings/hearings

Would you mind look through your email and forward to me any emails related to the topics above?

Please try and send me the emails by **Monday, April 11**.

Thank you.
